## Bathtime

---

## Shnuggle Baby Bath

The Shnuggle Baby Bath offers a comfy and cosy bathtime for babies as well as giving new mums and dads confidence to handle their newborn at bathtime. Clever bum bump helps support even the tiniest baby in an upright position. Offering a more enjoyable and comfortable bathime right up to 12 months.

- Foam backrest for added comfort
- Bum Bump helps prevent baby sliding in water
- Handy plug to empty or refresh water
- Creates a more upright comfy position for baby
- Compact size keeping water warmer for longer
- Minimum of 2 litres of water needed
- Fully tested to BS EN 17072: 2018
- BPA Free

SBP-RSE-EUR

## Shnuggle Toddler Bath

The perfect follow-on bath for when baby outgrows their first bath. Extending the fun of newborn bathtime and offering your toddler the space and comfort to grow their confidence at bathtime. Designed to fit most shower trays and a wide range of baths but with plenty of room to play in their own comfy space.

○

- Contoured base for added comfort
- Grippy inside surface for added reassurance
- Handy plug to empty or refresh bath water
- Foam backrest for warmth and comfort
- Recommended for use when baby's outgrown their baby bath and is confidently sitting.
- Maximum fill line indicator
- BPA Free

Alternate Colours

STB-TPE-EUR

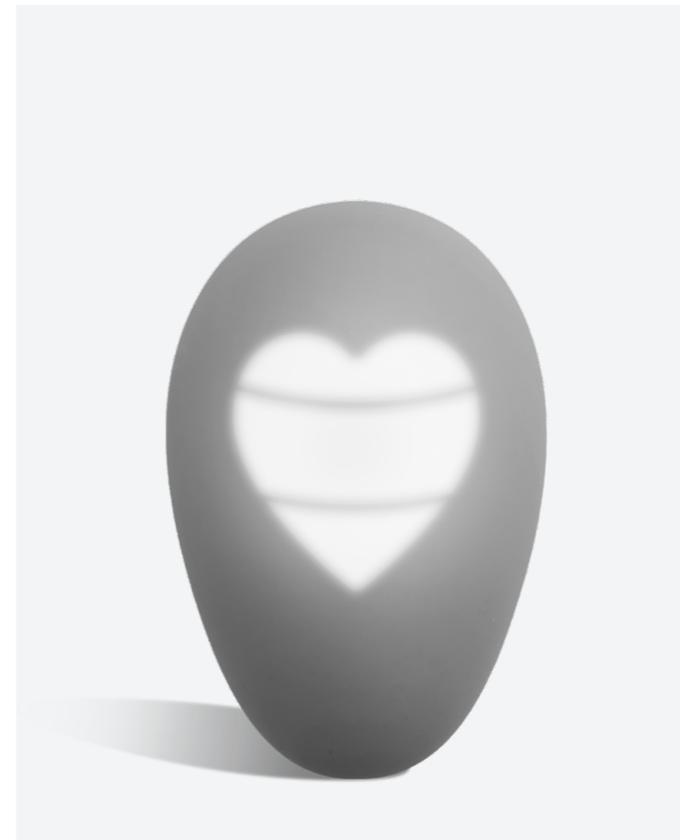

## Pebbly® Bath Thermometer

Pebbly bath thermometer is preset with the ideal baby water temperature. Using an easy to read heart display to tell you when the temperature is just right, taking the stress out of baby's bathtime. Gently shake to wake, drop into the water and let Pebbly do the rest.

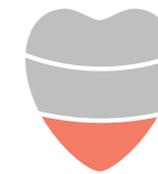

- Fast and accurate reading
- Self rights and floats in water
- Easy-read display even in bubbly water
- Auto on and off to save battery
- Modern pebble design, inspired by nature
- BPA Free

Cold — < 30°C < 86°F

Ideal — < 30°C < 86°F

Hot — < 30°C < 86°F

## Folding Bath Stand

Raising your Shnuggle Baby Bath to waist height and taking the backache out of bathtime. Of particular benefit to mums who have had a caesarean section and would otherwise find it difficult to bath baby in the first few weeks.

0-6 months

- Raises bath to waist height
- Grippy feet for added security
- Lightweight
- Folds for easy storage
- Includes safety strap

Tested to the very latest UK and EU safety standard EN 17072

## Bathtime Accessories

100% Cotton.  
OEKO-Tex Certified.  
Super soft against baby's skin.  
BPA Free

### Wearable Bath Towel

SHN-WTL-WHT

Now with fluffy ears, our towel is designed to keep you dry and your hands free to concentrate on baby, for a stress free and cosy bathtime. Plush, thick fabric for a more luxurious feel. 100% bamboo and cotton blend for added softness.

OEKO-TEX Certified.

Available in 4 colours.

SHN-WTL-GRY

SHN-WTL-BLU

### Wash Cloths

SHN-WSH-CLTH

The soft Shnuggle baby washcloths are made from a bamboo and cotton blend to provide extra softness against baby's skin. Wash cloths come boxed in set of 3 white or 1 white and 2 colour. Perfectly sized for baby.

OEKO-TEX Certified.

Available in 4 colours.

SHN-WC-PNK

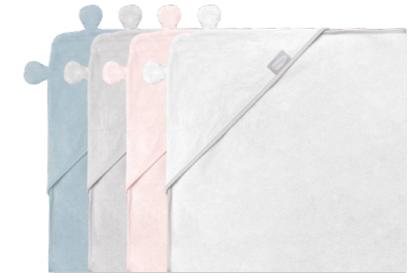

SHN-WC-GRY

SHN-WC-BLU

### Washy Rinsing Jug

SHN-WASH-JUG

Designed with a soft rim to gently rest against the contour of baby's head, helping to direct water away from sensitive little eyes. Designed to neatly hook onto the Shnuggle Bath. Perfect for all ages.

### Bath Brush

SHN-BRSH-GRY

Gently massages baby's head to brush away cradle cap, cleanse, and shampoo. Super soft against baby's skin. Easy to hold and easy to clean. It's antibacterial too.

Available in 3 colours

SHN-BRSH-PNK

SHN-BRSH-BLU

### Step Stool

SHN-STP-WHT

Designed to make it easier for little ones to get to those hard-to-reach places. Helping them to more easily potty train, reach the sink or help in the kitchen and giving them the confidence to become more independent as they grow. Featuring an Anti-microbial non-slip surface, it's easy to clean and BPA Free.

### Wishy Bath Toy

SHN-WISH-TOY

Make Baby wishes come true with our light up bath toy. Featuring a soft light and texture to support newborn sensory development, with three parts to detach, play and connect. The perfect bath toy to support co-ordination and play as baby grows. Perfect for little hands and curious minds. BPA Free.

— Here for baby,  
every splash of  
the way.

## Air Bedside Crib

### Cot conversion Set

Give your little one a safe, close and cosy night's sleep from birth to beyond. The Shnuggle Air Bedside Crib allows you and baby to sleep close to each other but without sharing the same bed. Helping to grow your bond and giving baby the reassurance and comfort they need from having you close by.

0-6 months\*

\*Or when baby starts to roll over, pull up or reach a weight of 9kg.

z z

- Dual-view, breathable mesh sides
- 50% more breathable mattress\*\*
- Gentle incline option
- Zipdown side panelling
- Used as standalone crib or attached to bed.
- Height adjustable

### Cot conversion Set

As baby grows, convert your Shnuggle Air Crib into a stylish cot with our clever Cot Conversion Kit.

- Soft padded sides provide added protection and removes the need for bumpers
- Cot kit includes cot fabrics, extended bed base and frame extensions
- Uniquely designed Airflow Mattress\* (sold separately) with hypo-allergenic fibre core.

\*This mattress has been tested to BS EN ISO 9237-1995 for air permeability (flow of air through the mattress).

\*\*Vs. standard PU foam mattresses. Breathability tested to British Standard BS EN ISO 9237 - 1995 for air permeability.

Colours

## Dreami Moses Basket

Everything you need for baby's first bed. A modern alternative to the traditional wicker Moses basket with a ventilated, hypo-allergenic base, breathable mesh dressing set, luxury quilted mattress and two-position curve stand for low level gentle rocking or a high-level fixed position. Dreami is easily moved around the home to keep baby close day and night.

0-6 months

z z

- Larger than other Moses baskets for longevity
- Everything included: Basket, Mattress and Stand
- Ventilated basket and breathable dressing set for better airflow
- Easy clean and silent wicker-less material
- Dual Position Stand; fixed bed height or low-level rocking
- Lightweight and easily moved around home for day/night sleeps

## Moonlight

Light up every step with Shnuggle Moonlight. The sleep friendly portable night-light offering the perfect baby safe glow. With dual parent and child modes, a room temperature sensing dock and unique design, Moonlight is a must have for all new parents. The clever, temperature sensing dock also helps you to keep the room temperature just right.

- Dual modes provide a comforting light every step of the way, from newborn night feeds to a soothing bedside light as they grow.
- Portable and lightweight with a handy strap to easily carry around the home. Simply return to dock to recharge.
- Clever temperature sensing dock to help ensure the ideal room temperature.
- Sleep friendly glow, with low blue light levels promotes a more restful sleep.

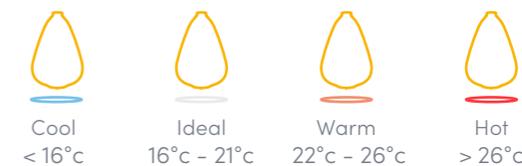

### Parent Mode

- One simple flip to turn on or off
- Baby safe, low blue light
- Portable with a handy strap to easily carry
- Room temperature indicator on charging dock

### Child Mode

- Simply shake to activate
- Handy strap for little hands to carry
- Gradually dims through the night
- Room temperature indicator on dock

# Chapter Three

## Changetime

---

- Gentle elevation to ease colic and reflux
- Soft and warm to baby's touch
- Great for tummy time and baby massage
- Premium material is warm and comfy against baby's skin
- Easy clean with no seam to trap dirt
- Hygienic waterproof surface
- Fits most changing tables

## Squishy Changing Mat

The Squishy Changing Mat is perfect for cosy nappy changes as well as a comfy place for tummy-time and baby massage. The premium material is warm and comfortable against baby's skin while its gentle incline helps to ease reflux and colic. Waterproof and easy to clean, the Shnuggle Squishy Changing Mat ensures a comfy change time.
