Neckerchew®

The award winning chewy dribble bib
for teething babies

1. Attached

The teether is attached to the bib so no more picking up dropped teethers. The bib is secured by two adjustable poppers to grow with the baby. Suitable from 2 months - 2 years.

2. Chewable

The soft and pliable textured teething triangle gives a great bite using an innovative dimpled design.

3. Reversible

Two bibs in one, each bib is fully reversible for all day wear to suit a range of outfits.

4. Super Absorbent

Super soft jersey cotton with an absorbent middle layer, delicate on young skin.

5. Hygienic

No more sanitising dropped teethers.
Machine washable at 40 degrees Celsius.

6. Safe

Safety tested to the highest standards worldwide, the Neckerchew contains no phthalates or BPA and will never flake or peel and is 100% safe to chew on.

Neck Size 32cm - 38cm

Cheeky Chompers®

www.cheekychompers.com

Cheeky Chompers was founded by two Scottish mums who were looking to create an attached teething solution for their own dribbly babies. This simple idea, beautifully executed, has impressed parents and retailers alike and is now selling successfully around the world.

Cheeky Chompers continue to add their cheeky innovative twist to every day essentials to help make parents lives easier.

Cheeky Chompers products are:

- **Stylish.**
It's about making your little one look fabulous. Standing out from the crowd.
- **Quality.**
It's about something that costs a bit more, but lasts a lot longer. It's about knowing baby is safe in our hands. It's about little touches that delight.
- **Helpful.**
It's about being practical and making life simpler.
- **Innovative.**
That "I wish I'd thought of that" moment. Cheeky Chompers products are just a tiny bit life-changing, by effectively solving little problems for little people.
